あき

Kian

Former oracle of the Emperor.
Cold-hearted...?

Artian

Son of the Emperor.
Highly inquisitive and cheerful.

Legna

A courtier to the emperor. Successor of an oracle family.

Former Emperor

Artian's father. Ruler of the country.

"Die"

In Legna's Oracle dream, he heard an unknown voice filled with killing intent towards the Emperor. In order to seek the truth, Legna attempted an "Aruosumente", an ancient divination. In his dream, Legna is given a trial by the sage. He has to match 10 Tarot Cards with their respective implicated individuals correctly. When he thought that Lante and Dante were connected to Kian's death, Moeran told him things that he never knew about. In the midst of this confusion, Legna came to know the lingering effects from the Finfield incident that greatly influences the present...

Richter

Former White Knights Commander. Confined in the dungeons due to Legna's prophecy.

Lante

Dante's younger twin brother. The one and only person who can stop Dante when he goes on a rampage

Dante

A young man nicknamed "Noir Tralid".

Chapter 30

Rita-Rina
Jasmine Moeran Baltine
His majesty,
Lante,
and Dante
Me and...
...should I include the Bishop...?
?
.....
?
Why are you so late?
.....
It's not enough
I can't believe that you came here to start Aruosemente without any preparation
Be quiet
That is... terrible of you

.....
I see
"Deebert", huh?
Deebert suggested to me to do this.
It's not my idea
SIGH
HEY, WHAT WAS THAT SIGH!!
SPEAK UP IF YOU HAVE A PROBLEM!!
... Are you saying that from the bottom of your heart?
What kind of an airhead are you?
.....
WHAT DO YOU MEAN!?

Enough.
I'm tired of seeing you
Get out.
WHAT!?
Ask that "Deebert" guy what you need to know
And tell him this as well
?
"BECAUSE OF YOU..."
"THE SAGE IS NOW VERY ANNOYED."

.....
Damn sage...
He rushed me out!
.....
How many hours.
Do I have until the dawn...?

Then
We are done for today
Anybody anything to add?
Chivalry Order none
Nothing in particular here too
None your Majesty
Eh?
Ahh
No I don't
Legna you don't have anything?
.....

Hm?
Are you free today?
Hi, angel!
What was that?
? ? ?
Okay
then dismissed
I'm always busy
Would you like to visit Jasmine to have some tea?
Did you hear what I just said right now?
I'm busy!
It's okay
Leave the small matters to others.
I can't!
I have to visit the senate today
Please ask me next time

Take care!!
Hang in there!
.....?
Please come next time!
.....Yes!
.....You are irritating
What makes you care about him?
Ah Moeran
Would you like to come with me?
I'm going to Jasmine's place to have some tea.

...
I heard that smoke comes out of your mouth after you drink it.
It's not an ordinary tea.
...Is that really just "some tea"?
No matter what you do,
that "Angel" will never become a Human".
Well enough
I know that...
.....

If I ask him next time
He will come
But,
he said...
So I believe...
We can surely get along
When Kian died...
The Senate immediately attempted to hide the cause of his death

But the young oraclist had a true talent.
At first, they erased the doctor who performed the autopsy,
And even tried to kill his disciple
He sensed turbulence regarding his father.
He went.
Straight to the chamber at the deepest part of the temple that even Kian didn't know
Legna!?
Father...?

Do-
Don't look
Legna!
Deebert,
someone
is crying
I have to help

You can't fool.
An Oraclist
Deebert
What am I going to do?
What happened...?
How do I explain...!?
Kian has been killed
Legna

4
Listen
You shouldn't become like him
We will definitely protect you
Leave everything to us
and you won't have to think about anything
Okay?
Leave everything to us
Understand?

Force all the absurdness on...
An obedient child who listens to adults.
Sadly,
I wasn't able to come up with a better plan
Deebert?
...Oh.
yeah, sorry.
I was absorbed in thought.
Are you okay?
Aren't you tired?
No I'm fine.
So... where were we?

It's about the head count of the test of sages
Ah that's right
His Majesty
Six of his close associates
And me
Don't you have any other friends?
No I don't
.....
.....
Hmm...
Legna
Yes?
I didn't hear my name, but...
Is there any reason behind it?
